

Kenneth Schwenker Bio

Kenneth Schwenker is the founder of the **ONE LOVE FEST, BHAKTILOVE, LEADERS CAUSING LEADERS** and a film producer.

He has produced over 30 feature films with major stars, directors, and producers including **Steven Spielberg**, director **Ivan Reitman** (Ghostbusters), discovered Chris Pratt (produced his first film ever) and produced films with **Julianne Moore, David Duchovany, Billy Bob Thornton, Reecca De Mornay, Uma Thurman, Vince Vaughn, John Malkovitch, and Liam Helmsworth.**

Schwenker is the founder of two successful musical-spiritual festivals, *Bhaktifest*, and *One Love Fest*, which draw thousands of attendees each year. *One Love fest* is in its 10th year of production. The three-day transformational musical extravaganza blends a sensational array of musical talent, alternative styles, and renowned industry heavy weights with leading spiritual gurus, coaches, and speakers of the modern day consciousness movement. **One Love Fest** has featured artists like **Moby, The Polish Ambassador, Trevor Hall, Matisyahu, David Starfire** and name others.

As founder of *Bhaktifest*, Schwenker was able to bring together the world's most famous kirtan and yoga figures. *Bhaktifest* was the first ever event to bring this talent to a festival environment. This has become the largest kirtan festival in the world and has become the premier landmark event now going into its 11th year.

Leading Causing Leaders is a non-profit organization formed to empower people to become influential leaders in their lives and the world. This major event brings together the best and brightest minds under the pretense of virtue, moral principle, and collaboration. Speakers include: Steven Covey, Chip Conley, Marianne Williamson, Byron Katie, Jason Mraz, Nissan Haramein, Lisa Haisha, Mark Victor Hanson and over one hundred other speakers.
